Business Review

Promac

- Tyre sales expected to increase in the second half and negotiations are continuing with major retail outlets for Australia wide distribution
- Promac's Lighting Tower product will be available by the end of March 2008 for release at trade shows in April

Action Mining Services

- Currently expanding fabrication capabilities to increase the number of service and water trucks produced
- Designing water tanks suitable for larger trucks

Income Statement

Pro Forma revenue by division

\$m	Full Year '07 Pro Forma actual	Half Year '08 Pro Forma actual	Full Year '08 Pro Forma Prospectus forecast
NRW Civil Contracting	162.0	220.5	305.7
NRW Mining Services	77.8	18.9	91.4
Promac	28.6	10.7	39.6
Action Mining	20.7	13.6	26.0
Other / Eliminations ¹	(11.5)	(10.2)	(22.4)
Total Revenue	277.6	253.5	440.4

Note:

1 Primarily comprises the elimination of sales by Promac to NRW Civil and Mining divisions and sales by Action Mining to Promac

- Strong Civil Contracting revenue driven by FMG rail and camp construction and Rio Tinto expansion projects, including Simandou
- Lower Mining Services revenue due to utilisation of equipment by Civil Contracting
- Mining Services revenue expected to increase in the second half of FY08
 - Capital to be redeployed to Mining Services for future Rio Tinto projects
 - Simandou will become a Mining Services project in the second half of FY08
- Promac revenue down on forecast largely due to changes in market conditions for low margin tyre sales
 - Tyre sales expected to increase in second half due to a stronger distribution network
- Action Mining revenue in line with Prospectus forecast
